

*Welcome to the 2024 Signatures Beaches Arts and Crafts Show! Here are a few details about the show that will be helpful to you during the next few days.*

## *Load-in & Set-Up*

Today, June 7<sup>th</sup> from 2 p.m. until 8 p.m. Set-up continues tomorrow between 8:00 a.m. and 9:30 a.m. with access from Queen Street East **only**.

## *Show Dates & Hours*

The show will be open 10 a.m. to 6 p.m. from Saturday, June 8<sup>th</sup> until Sunday, June 9<sup>th</sup>. **Please be on time and wear your exhibitor badge, the public is anxiously waiting to meet you!**

## *We Are a Waste-Neutral Event!*

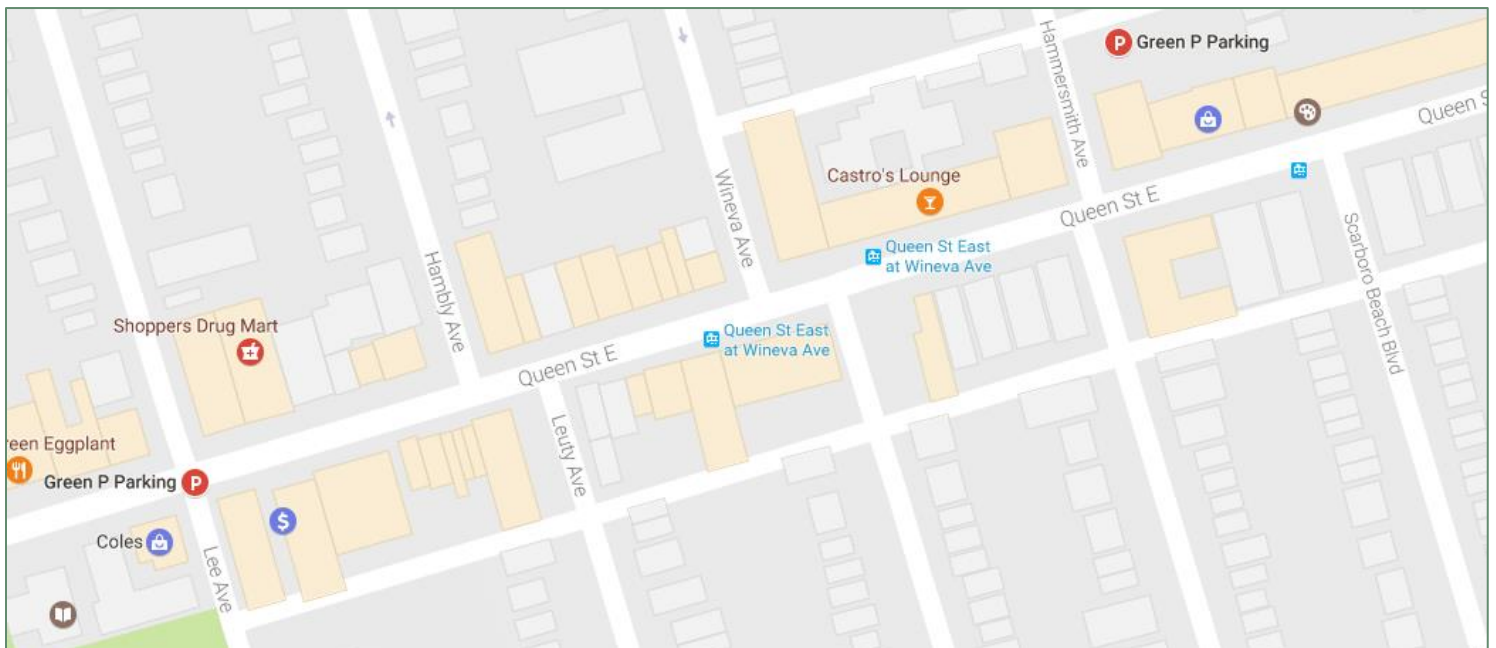

As guests in a City of Toronto Park, we must leave it in the same condition, or better, than when we arrived. This especially applies to waste; **you must, with no exceptions, remove all garbage, litter, and recyclable materials in and around your immediate booth area during load-out and take it with you.** There will be garbage bags available at the Information Tent.

## *Age Limit*

Children under the age of 15 are not permitted in the park during load-in/out for liability and safety reasons. We will be enforcing this rule – please plan for childcare in advance.

## *Exhibitor Parking*

Paid parking is available in the public parking lot at 85 Lee Avenue (height clearance of 2.67m) and along nearby side streets. The closest parking for RVs and oversized vehicles will be the outdoor municipal parking lot located at 117 Hammersmith Avenue or the Impark lot at 1141 Eastern Ave.

## Spin-the-Wheel Surprise Gift Giveaways

At the Information Tent, visitors have a chance to spin a wheel to win prizes that include products donated by our artisans as well as gift certificates to shop at the show. Winners from the contest will visit your booth and present a certificate with either the donated product listed or a cash value to use towards a purchase.

Once redeemed, please bring the cash value gift certificate to the Information Tent and our staff will reimburse the value. We would like that thank all exhibitors who chose to donate product for onsite draws! A sample image of each certificate is included below:

## Teardown & Load-Out

Your booth tear-down begins after the show closes at 6 p.m. on Sunday. **You are not permitted to park your vehicle on Queen Street East or enter the south end of the park until your display is entirely torn down and packed up.**

Once your display is entirely packed up and ready to be loaded into your vehicle, you will have two (2) load-out options depending on your booth location (*see map provided with your Load-In Pass*) :

- Option 1)** Load your vehicle from the south end of the park (entrance on Lee Ave. near the Kew Gardens House). For safety reasons, Signatures staff will be on hand to escort vehicles to the loading area.
- Option 2)** Load your vehicle from the north end of the park (entrance on Queen Street East).

Dollies will **not** be provided. If you require use of a dolly, you must bring your own with you. Signatures staff will be on-site to assist you if required, but you are strongly encouraged to plan ahead and recruit your own staff to help you during load-in/out.
