Signatures BY HAND Gift Show

Welcome to the 27th edition of the Signatures BY HAND Gift Show!

As you enter the exhibition, you are stepping into a world where tradition meets inspiration and Canadian artisans from coast-to-coast-to-coast come together to showcase their finest creations. Each piece you encounter in your exploration is a testament to their dedication and passion for handmade artistry. This year, we are thrilled to introduce many new and emerging talents alongside the timeless craftsmanship you've come to expect and love from our show.

In today's rapidly changing retail landscape, handmade goods continue to capture hearts by telling unique stories and fostering meaningful connections. Our artisans are not just creators; they are pioneers who celebrate individuality and drive innovation in their respective crafts. By Hand is proud to highlight the many ways artisanal, small-batch, and eco-friendly products are shaping a retail future grounded in refreshing authenticity.

Since 1980, Signatures has been committed to celebrating the joy of Canadian handmade goods. Whether you're reconnecting with familiar artisans or meeting new ones, we hope your visit to our show proves successful and inspiring. We extend our sincere gratitude to you for being part of our handmade community and for your continued support of our talented artisans.

Sincerely,

John Ladouceur
Co-founder and President
Signatures Shows Ltd.
