

Signatures **BY HAND** Gift Show

Welcome to the 28th edition of the Signatures BY HAND Gift Show!

Whether this is your first visit or you've been part of our journey for years, we're thrilled to have you here. This show is, and has always been, a celebration of Canadian handmade artistry, where exceptional talent from coast to coast to coast comes together to inspire and connect.

This year, we're proud to showcase a dynamic mix of cherished artisans and exciting new creators. Each piece you'll discover tells a story of craftsmanship, creativity, and passion—values that make handmade goods so special in today's world.

At By Hand, we believe handmade is more than a product; it's a connection—a bridge between creators and those who appreciate the care and individuality that go into every piece. From eco-friendly innovations to timeless designs, the work on display here represents a retail future grounded in authenticity and quality.

Thank you for joining us for this year's show. Your presence supports not only the artisans but also the vibrant community of handmade goods that continues to thrive because of people like you. We hope your time here is inspiring, rewarding, and filled with meaningful discoveries.

Sincerely,
John Ladouceur
Co-founder and President
