

Signatures BY HAND Gift Show

Welcome to the 29th edition of the Signatures BY HAND Gift Show!

Whether you're joining us for the first time or have been part of our community for years, we're so pleased to welcome you. This event continues to be a vibrant celebration of Canadian handmade excellence, bringing together outstanding talent from across the country to connect, create, and inspire.

This season, we're delighted to present an exciting blend of returning favourites and emerging voices. Every item you'll encounter reflects the care, creativity, and craftsmanship of its maker - values that define what makes handmade so meaningful in today's marketplace.

At By Hand, we see handmade not just as a product, but as a story and a connection between artisans and those who appreciate the skill behind each creation. From innovative, eco-conscious designs to classic, heirloom-quality pieces, the works you'll find here reflect a bright future rooted in authenticity, intention, and quality.

Thank you for being part of this Summer's show. Your support strengthens the handmade community and ensures its continued growth and success. We hope your experience is inspiring, rewarding, and filled with unforgettable finds.

Sincerely,
John Ladouceur
Co-founder and President
Signatures Shows Ltd.
